**Microporous fabric is tested in accordance with:**

EN 14126 - For protection against biological hazards and infective agents

Chemical liquid (EN 368) and blood penetration (ASTM F1670) resistance

## Features

- Breathable and water resistant
- Excellent abrasion and tear resistance
- Stitched seams for greater strength
- Lint free outer surface
- Non woven inner for comfort
- Reinforced gusset/crotch
- Fully elastic hood, waist, ankles and wrists
- Self adhesive zip flap
- Two way zip

## Size and Codes

Medium	(51308)	Large	(51309)
X Large	(51310)	XX Large	(51311)
XXX Large	(51312)		

## Uses include

- Chemical clean up
- Medical/forensic
- Emergency services - Police
- Veterinary
- Food processing
- Fisheries
- Abattoirs
- Car industry
- Waste management
- Fibreglassing
- Resin application
- Road and transport workers
- Asbestos removal/demolition work

*The user should evaluate the suitability of this product for their application.*

## Packaging

1 piece per informative poly bag, 25 pieces per carton
