Perfumed Lotion Hand Soap

TECHNICAL FEATURES

BENEFITS

- 1L foam pods provide up to 2,000 hand washes → Superior cost-in-use savings
- High quality formulation (GECA certified*) → Tough on germs but gentle on skin
- Bio-degradable, alcohol-free instant sanitiser → Kills 99.99% of common germs
- Easy to install & maintain dispensers → Reduces labour time to replace empty pods
- Pumps are integrated into individual refill pods → 100% refill pod interchangeability
- Instant foaming mechanism → Lower water consumption compared to lotion soaps

The Livi Activ™ System reduces costs and waste with its ultra-simple interchangeable delivery solution.
