Sure Grippa is a non-slip safety mat for wet areas. It is used behind bars, on boats, in freezer rooms, beside swimming pools or in showers.

FEATURES

- PVC solid matting can be cut to any length or shape.
- Soft surface drains and resists oils, chemicals and alkalis.
- Ideal for wet areas like bars, boats, workshops, swimming pools, showers.
- Heavy duty construction.
- Made in Australia
- HACCP certified
