

The mini liquid soap
system ideal for
compact spaces.

Tork soap liquid S2 system

Hands spread 80%¹ of common infectious diseases. Washing and drying hands reduces this risk of cross contamination.

small on space - big on hygiene

The compact new Tork® Soap Liquid S2 system is ideal for small spaces and low consumption areas. It has been designed to encourage better hand hygiene with mild formulation soaps and a disposable vacuum sealed cartridge system. The Tork S2 system includes the award winning Tork Elevation dispensers available in the choice of black or white.

High performance

- All-in-one disposable cartridge system for easy load-and-go in just a few seconds
- Compact system ideal for small washrooms and wash stations
- Mild Hand cleanser and Hair & Body shampoo options

Improving hygiene

- New vacuum sealed cartridge system with disposable pump for improved hygiene
- Provides up to 475 washes per cartridge, reducing the risk of unhygienic soap run-out
- High quality soap formulation with a pH value close to normal skin, maintains skin's natural balance
- Dermatologically tested and gentle for frequent washing

Environmentally responsible

- Tork S2 Liquid Soaps have achieved Nordic Ecolabel accreditation
- Entire soap bottle and pump unit are recyclable after use
- SCA, the manufacturer of Tork products has been ranked as the second greenest company in the world*

¹ Government of South Australia, SA Health - Wash, Wipe, Cover brochure.

* The Independent and EIRIS rankings 2007. Number 1 is a Danish manufacturer of wind turbines, Vestas Wind Systems.

Tork Soap Liquid S2 Dispensing System

Tork Elevation dispensers and innovation go hand in hand

- Award-winning, innovative dispensers perfectly combine functionality and design
- Two innovative locking modes. Lock can be set to be opened with a key where secure locking is necessary or lock set to be opened without a key for low risk areas
- Transparent front conveniently shows when refilling is required
- Tork system identifier printed in the dispenser allows quick refill identification
- Tork Elevation is available in black or white
