

A conventional toilet roll system with the added benefit of a back up supply.

Tork Toilet Paper Roll T4 System

Three quality levels of paper and various size multi-roll packs provides flexibility and choice.

more rolls, less servicing

The Tork® Toilet Paper Roll T4 System ensures reliable and cost effective dispensing. The dispenser system includes the choice of either the award-winning Tork Elevation dispensers or the functional Tripleline dispenser. The dispensers have dual or triple roll capacity reducing servicing time and ensuring continual tissue availability.

High performance

- Conventional toilet roll system that provides back up supply for reduced servicing time and the risk of run-out
- Easy and intuitive maintenance, refilling and use
- Tork T4 toilet paper rolls are available in three quality levels: Tork Premium, Tork Advanced and Tork Universal

Improving hygiene

- Toilet rolls are hygienically enclosed in the dispenser

Environmentally responsible

- The introduction of geothermal steam at our Kawerau (NZ) plant, has reduced the plant's CO₂ emissions by 39%¹
- FSC™ certified refill options available
- SCA has been named in the Innovest top 100 most sustainable companies for the past 5 years
- All Tork paper products are sourced from 100% non-controversial forest sources
- Refill options are available with Environmental Choice New Zealand accreditation
- All Tork plastic dispensers are fully recyclable²

¹ Based on Corporate Greenhouse Gas Reporting – Data and Methods, 2008. New Zealand Ministry of Environment, Scope 1 and 2 emissions.

² ABS Plastic (# 7) is recycled at a number of transfer stations and commercial recyclers across Australia and New Zealand. Ensure you check directly with the recycler.

Tork Toilet Paper Roll T4 Dispensing Systems

Tork Elevation and innovation go hand in hand

- Award-winning, innovative dispensers perfectly combine functionality and design
- Two innovative locking modes. Lock can be set to be opened with a key where secure locking is necessary or lock set to be opened without a key for low risk areas
- Universal key can be used in all Tork Elevation towel, toilet and soap systems
- Transparent front conveniently shows when refilling is required
- Tork system identifier printed in the dispenser allows quick refill identification
- Tork Elevation is available in black or white
- Tork Elevation T4 is a part of a co-ordinated range of washroom dispensing systems

Tork Tripleline is functional and practical in design

- High capacity Tripleline holds up to 3,000 sheets (3 rolls) reducing servicing costs and unhygienic risk of run-out
- Pilferage and tampering is prevented with lockable dispenser
- Holds all sizes of conventional toilet rolls

About Tork

The Tork brand offers a complete range of hygiene and cleaning products and services for the away-from-home market, for use in washrooms, healthcare, foodservice and industry. Tork is a market leader in many segments and a partner to businesses in over 90 countries. Tork is a global brand in the SCA portfolio. To keep up with the latest Tork news and innovations, please visit www.tork.com.au or www.tork.co.nz

About SCA

SCA is a global hygiene and paper group that develops, produces and markets personal care products, tissue, packaging solutions, publication papers and solid-wood products, with sales of around EUR 10.5 billion. The SCA Group employs about 50,000 people, and conducts sales in some 100 countries. The hygiene portfolio includes global brands TENA and Tork, and regional brands Libra, Handee, Purex and Sorbent. SCA hygiene solutions are found in both domestic and business settings worldwide.

SCA is recognised as a global leader in sustainable development and was ranked as one of the world's most sustainable companies by Corporate Knights and as one of the world's most ethical companies by the Ethisphere Institute in 2010. For more information about SCA, hygiene and sustainability, please visit www.sca.com
